BRIGHTON HIGH SCHOOL

*Published by*  
The Sophomore Class  
*of*  
Brighton High School

We, the class of 1943, dedicate this annual to Mr. Earl Brown, who busily occupies his time taking care of this school and its grounds, which he once owned. He has been with us for nearly eight years.

We appreciate the cooperation he has given us, not only during the school session, but also during the evening activities of the school and the community.

We take this opportunity to wish him continued success and health in the future.

## *Editorial*

This being the fifth annual edition of the "Brightonian", we the class of 1943, can thank the editors of the previous editions for many of the ideas incorporated in this edition.

We now know the difficulties encountered by previous classes in producing their annuals. We have endeavored to add new ideas to this annual and feel that although we may have made mistakes, that classes following us will be able to benefit by our mistakes, for it is only by such corrections and new ideas tried out that advancement is made.

At this time I wish on behalf of the annual staff to thank all those who have in any way contributed to the success of this annual, especially Mr. Seger for his time and help in taking pictures, and Rosemary Miller for making our sketches.

Around Christmas they became the proud owners of Brighton High class rings.

In the fall they sponsored a skating party at Island Lake, everyone attending reported a good time.

The main work of the sophomore class was the preparing of the annual and raising the money to print it. To help this cause along we held two skating parties at Island Lake, one in October, the other in May.

We had two class parties this year: A Halloween party at Wenzel's, and a skating party at John Boja's.

Miss Plum, our advisor, left at the end of the first semester and Miss Kulish took her place.

TREASURER	- - - - -	DAVID LEITH

We have a class of 48 students this year.

We had a skating party at Island Lake in September. Everyone was invited and in spite of the spills and tumbles everyone had a good time.

During the absence of Don and David Leith, who were in Florida, Joyce Dickinson acted as secretary and treasurer.

Top Row: Harwig, Woodbeck, Seigle, Sater, Beebe, Newman, Brady, Sprague, Schreer, Ware, Pinney, Curiston, Clark, Wollenhaupt, Wilkinson, McGrail, Pittenger, Leestma, Odell, Small, Robben, Truhn, Bitten, Falk, Miller. ## *Junior High*

Junior high activities began in the fall with a roller skating party at Island Lake. We will never tell who the tumblers were.

We celebrated Christmas with the high school, and exchanged gifts in the room.

On January 15 the girls in the eighth grade played the boys a game of basketball. The boys won. Later refreshments were served in the cafeteria.

After much debate and tricks of the weather man we finally had an ice skating party at the home of the Stephens twins. We did have fun.

We are hoping to have another skating party before school is out.

Top Row: Roush, Stephens, Singer, McKerchie, Juipe. Middle Row: Miss Ward, Thomas, Siders, Somuels, Bills, Miss Fry, Saephens Evans, Morgan. Bottom Row: Wollenhaupt, McClure Pinney, Lawrance, Russell, McGrail, Brady.

## Girl Scouts

What jolly times we Scouts have had this school year. Our activities have been varied and numerous. We armed ourselves with spoons and materials and launched forth with a Bake Sale as our first project.

Who's Who? That's what we wondered the night of our Halloween Party at the Masonic Hall. We did see some rather live ghosts, too; or shouldn't we bring up the unfortunate part of the evening?

Our leader said, "Definitely no Christmas Party." So we had a surprise party at the home of our leaders. Doesn't make sense, does it? There was a Santa Claus, too.

"Girl Scouts fall in line; get in for a dime." We did for our theatre party. "The Thief of Bagdad" entertained us.

We were happy to become busy workers for the Red Cross during their drive in the city. Our dolls became nurses as they appeared in the store windows.

The big thrill of the year was our Investiture Ceremony. By Candlelight many girls received Tenderfoot pins and Second Class badges.

We've enjoyed working on the Hostess Badge together. Inspired by one of the requirements we gave a Tea for our Sponsoring Committee. The tea table was set with Easter decorations. Joan Pinney poured. Miss Steenssens introduced gay things to make in the field of Arts and Crafts. We were very enthusiastic.

We were proud of the results of our Cookie Sale. We can begin next year with a substantial treasury.

Officers: Leader and Assistant: Misses Ward and Fry; Sponsors: Mrs. Pinney, Mrs. Brady, Mrs. Bitten, Miss Steenssens, and Miss Jonckheere; Scribe: Peggy McGrail; Treasurer: Blanche Kline, Joan Pinney.

First Row: Rosalee Kramer, Dorothy Standlick, Mildred Herbst, Kathryn Brogan, Freda Sparks, Thelma Field, Miriam Bills, Catherine Dundas, Marieanna Seitz, Zara Gibson, Josephine Pless, Jane Graham, Joyce Dickinson. Second Row: Accompanist Mary Ann Aulgur, Mary Jean Woodbeck, Majel Crout, Estella Pless, Ida May Small, Priscilla Luce, Darlene Smith, Helen Geer, Dorothy Welle, Rita Bogan, Marian Millar, Lila Welle, Ada Fay Small, Shirley Neverth. Third Row: Edna Parrot, Rosemary Miller, Irving Field, Art Chesters, Robert Singer, Don Carney, Robert Coupar, Tom Leith, Ray Carmack, Karl Lehman, Richard Juipe, Marvin Manzer, Mildred Groomes.

## *Mixed Chorus*

The mixed chorus, under the direction of Mr. R. G. Schadel, is a new organization of Brighton High School. This truly fine musical organization composed of 40 young people is a credit to our school and community and shows great promise of reaching a higher degree of excellence in the future.

The first public appearance of the chorus was the Christmas Concert given by the Choral and Band departments. Public acclaim for the chorus was universal and we knew that we achieved success in our efforts.

The boys glee club is another new musical organization this year. This popular group is composed of ten members: Robert Singer, Don Carney, Tom Leith, Robert Coupar, Dick Juipe, Marvin Manzer, Irving Field, Art Chesters, Ray Carmack and Karl Lehman.

## *Marching Band*

The marching band met the first of the year under its new director, R. G. Schadel. This group of young musicians numbering 72 players has been an important part of the spirit and color of the football games played both at home and away.

Precision marching and excellence of playing was stressed since the first practice and the band has reached a high degree of excellence in both respects.

As the school year draws to a close, it is with much regret that we must say farewell to our drum major, Robert Coupar, and majorettes, Sally McClure, Dorothy Phillips, Noreen Brogan and Priscilla Luce, all being graduated this June. Their absence will be keenly felt by both the band and the school.

The marching band has taken part in several parades this year and it has been a pleasure to participate in Community functions. The band, we feel, is not only an important part of the school but is a product of and for the entire community. To that end we all, as band director and members dedicate our efforts.

## *Concert Band*

The concert band began work immediately after football season closed. In this organization we feel that a really fine musical group has developed throughout the year. As a result of the efforts of the band members we have an organization second to none for the size of our school.

Several new instruments have been added to the band. A bass clarinet and two French horns were purchased by the school and Band Boosters Club. Jane Graham has taken up the study of oboe which is an important addition to balanced instrumentation. With the acquiring of these fine instruments the tone quality of the band has improved greatly.

Several ensembles of various kinds furnished entertainment for community functions throughout the year. Our soloists appeared in public being in demand upon many occasions.

We are looking forward to a very successful year ahead and hope to maintain our high standard of musicianship.

## G. A. A.

At our first meeting we elected officers and made plans for a party. We had many parties during the year. Our meetings were held every Monday night, after each meeting we would have refreshments. Sometimes we would dance, other times we would have entertainment.

Dorothy Phillips was the president of the organization.

We had basketball and pingpong tournaments. Several of our members were on bowling teams. In the spring we had tennis tournaments.

On April 30 we had a banquet in connection with the basketball banquet at Chemung Tavern. Speeches, singing and dancing provided entertainment for the evening.

## A STUDY IN GRAMMAR

Zara was asked to parse the work "Kiss", and this was her result: "This word is a noun, but it is usually used as a conjunction. It is never declined and is more common than proper. It is not very singular, in that it is generally used in the plural. It agrees with me.

## DEDUCTION

Mr. Naldrett: What is the formula for water?

Noreen: H.I.J.K.L.M.N.O.

Mr. Naldrett: What do you mean?

Noreen: Why you said it was H to O.

## SNEEZE WHEEZE

I sneezed a sneeze into the air;  
It fell to ground I know not where  
But hard and cold were the looks of those  
In whose vicinity I snooze.

Charles: What is your brother's income?

Dick: Oh, about 4 a .m.

## ASSIGNMENT

Miss Ward: "Tomorrow we will take the life of Lincoln. Come prepared"

Barber: "What's the matter, ain't the razor takin' holt?"

Jack: "Yeah, but it ain't lettin' go again."

Ray C.: (sight seeing in Washington)  
"Mr. Johnson, when are we going to see the red tape?"

Chapie: (preparing an essay) What do they call those tablets the Gauls used to write on?"

Hogie: "Gaul stones."

"Boys, I'm happy," remarked Mr. Dean. "I have a wonderful home, a good job, and the finest wife in the country."

"Who wouldn't be happy with his wife in the country," grunted a hen-pecked looking individual who overheard the remark.

Dick J.: "Mr. Asher, did you ever hear a rabbit bark?"

Asher: "Rabbits do not bark."

Dick: "This biology book is wrong then. It says that rabbits eat cabbage and bark."

## BAD TO WORSE

Mr. Schadel had been lecturing on Mozart, Beethoven, and other great musicians, when Marvin Manzer was struck by an original thought. "How is it, sir," he asked, "that musicians are always so ugly?"

Mr. Schadel looked embarrassed.

Marvin suddenly realized with horror that his question might be taken personally, and he hastened to make amends. "Of course, sir," he said tactfully, "I only mean the good musicians."

## NATURALLY

Mr. Naldrett: "Have you ever noticed that most successful men are bald?"

Porky: "Naturally, they come out on top."

## EPITAPH

His cross unseen,  
His coffin bare,  
Here lies the man,  
Who wasn't there.

## HISTORY UP TO DATE

Mr. Dean: "Melbourne, who was Anne Boleyn?"

Melbourne: "A flatiron, sir."

Mr. Dean: "What do you mean?"

Melbourne: "Well, our history book says that Henry having disposed of Catherine, pressed his suit with Anne Boleyn."

Jo: "What a crowd! Something happen?"

Ike: "Man fell off the roof."

Jo: "Hurt bad?"

Ike: "Can't tell. Only found one leg so far."

Gerry: "Have you seen my lipstick anywhere? I've evidently lost it."

Mary Ann (scanning her critically): "Why, darling, you have it on."

Juipe: "Speaking about baseball, I've got a baseball dog."

Baldwin: "What makes you call him a baseball dog?"

Juipe: "Because he wears a muzzle, catches flies, chases fowls, and beats it for home when he sees the catcher coming."

Mr. Naldrett: "What is geometry?"

Joyce D.: "The little acorn grew and grew and one day woke up and said 'Ge-om-etry'."
