Mr. James Pepper
Superintendent of Schools

This has been one of the most important years in the history of the Brighton Area High School. This year our new gymnasium and vocational shop were completed. Through the co-operation of all of you, your parents, friends and other interested citizens and organizations in your community, it is now possible for you and students of coming generations to enjoy buildings and equipment comparable to the best schools in Michigan of the same size.

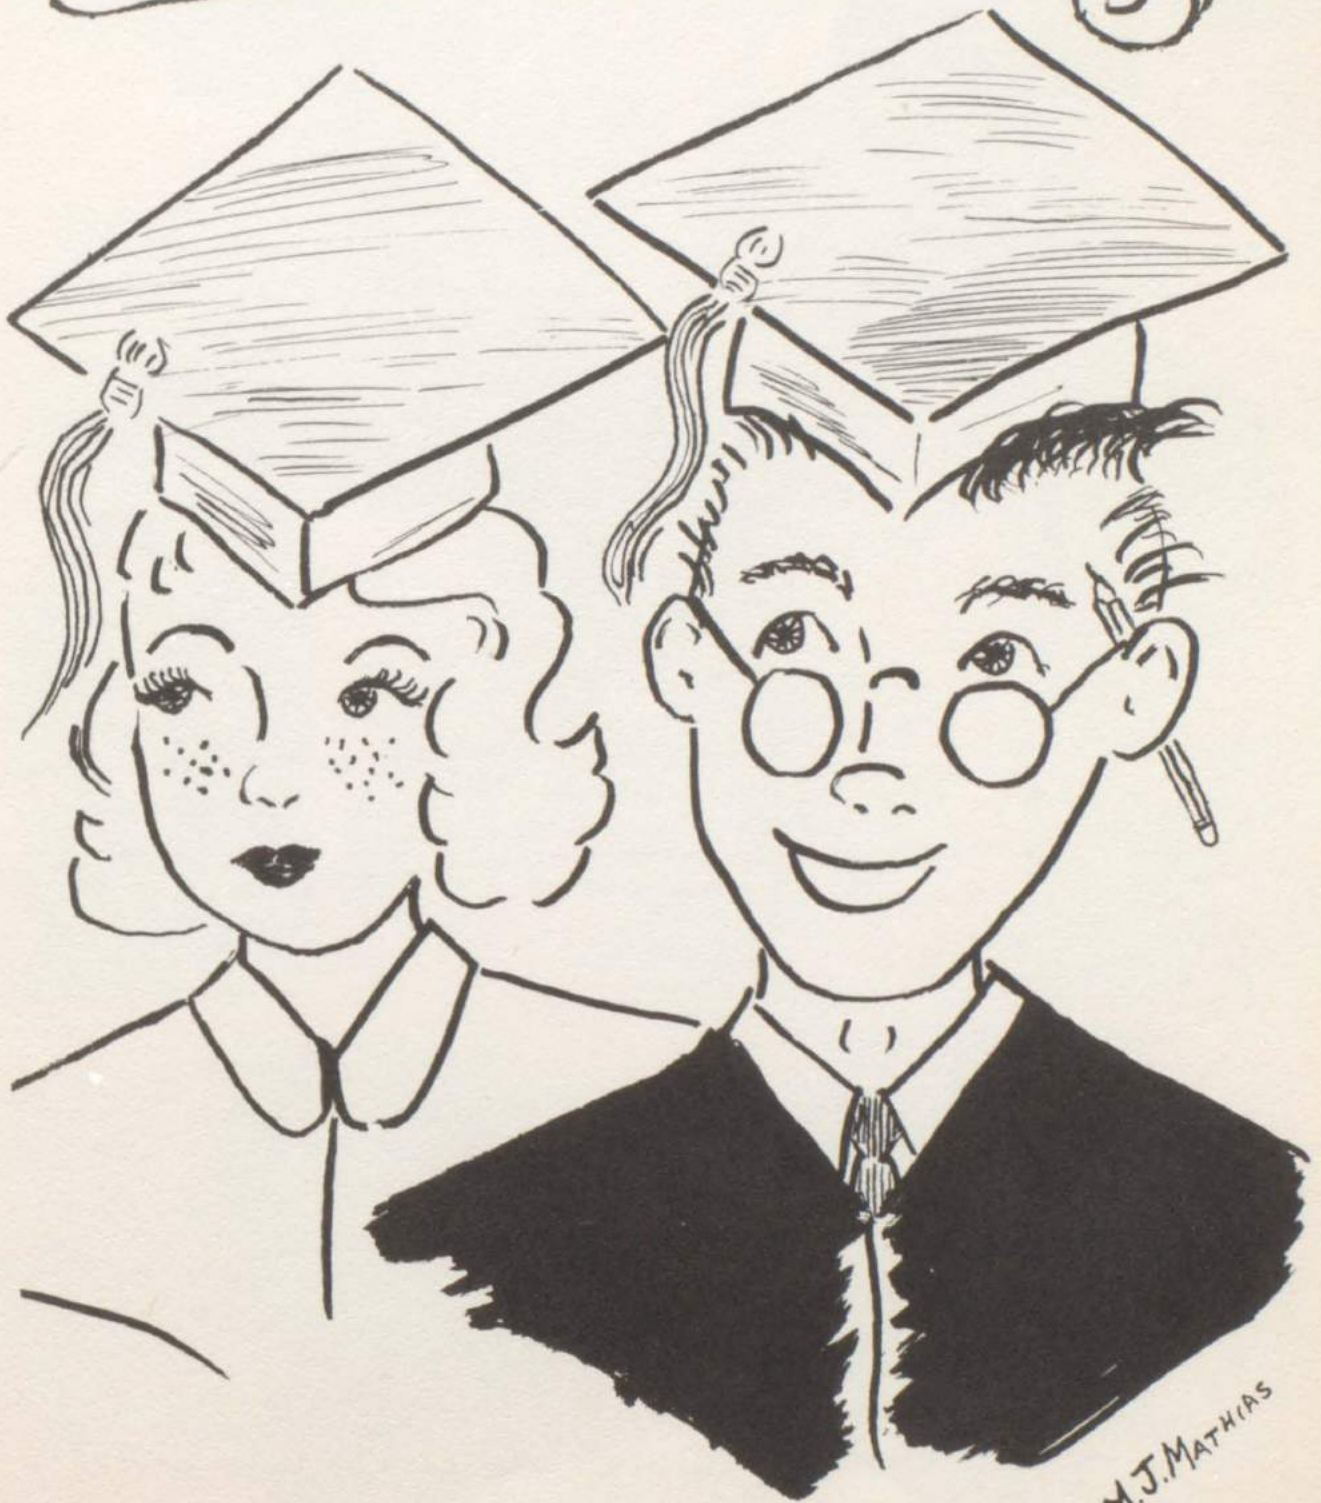

To those of you who are seniors and will be graduating this year we want to congratulate you upon the successful completion of your high school career. We hope that as future homemakers and citizens in your community you will support morally and financially good schools, and other worth-while civic programs. We also hope that as citizens you will faithfully discharge your duties as voters and will participate in civic affairs to the end that your community might help in building a solid front against the destructive forces of fear, indifference and disunity.

James N. Pepper

The 1951 Gridiron season was a huge success for the Bulldogs as they rolled to another undefeated season under the direction of Coach Arch Petersen who was ably assisted by Hy Klein, John Kestner and Russell Rowe.

With a record of seven victories and two ties they were declared State Class C Champions for the third time in the last four years. The Brighton eleven concluded their competition in the League of Lakes with a tie for the Championship with Dexter. The Bulldogs finished their season in good class by defeating two strong Class B teams, first they defeated Northville in a bruising battle on the local field by the score of 21-13, then in a muddy brawl they defeated Milford 7-0.

Next year the Bulldogs will be independent and in 1953 they will compete in the Wayne-Oakland League against such schools as Holly, Northville, Milford, Clarenceville, Clarkston and Keego Harbor.

The Junior Varsity was organized late in the year by Hy Klein and John Kestner and after losing their first game continued on their schedule winning their next three for a successful season.

Above is pictured the 1951-1952 edition of the Brighton High School Basketball team that was molded together by Coach Hy Klein in his first year at Brighton.

Coach Klein called the first practice session November 14 with 40 boys reporting. With the new gym not yet completed, the difficulty of securing a suitable place to practice produced a great handicap. This handicap had much effect on the team at the beginning of the season causing them to lose their first five games. The Bulldogs inaugurated the new gymnasium on January 29, 1952 when they defeated Clarkston 50-38 opening a successful home stand. During this stand they won seven of nine games defeating such teams as Milford, Manchester, Dexter, South Lyons, Hartland, Clarkston, and Pinckney.

After losing their first four league games the Bulldogs came to life to win their last six league tilts and finish in a tie for second place.

In the District Tournament at Walled Lake in early March, the Bulldogs reached the finals when they defeated Hartland 40-34 only to be defeated by a high ranking Keego Harbor team 68-41.

The Bulldogs main offensive weapon was their Captain and center Tom Evenson who scored 253 points during the regular season. Trailing him was Jack Wood with 88.

At a meeting following the close of the season the team honored Dick Stonex Tom Evenson by electing them to serve as co-captains during the 1952-1953 season.

The first basketball banquet in the history of Brighton High School was held April 22 in honor of the team, with Pete Newell, head basketball coach at Michigan State College as guest speaker.

JUNIOR VARSITY

Standing left to right; A. Theriault, J. Rusling, P. Andrews, D. Shosey, J. Siford, D. Reetz, G. Fuller, D. Price, B. Wood, A. Stewart, J. Coddington, and D. Thompson.
Kneeling left to right; Manager L. Oliver, Coach J. Kestner, and Manager L. Taavola.

The Brighton High School Junior Varsity Basketball Team under the direction of Coach John Kestner lacked the experience and determination of a winning ball club and dropped ten of their fifteen decisions.

Suffering the same handicaps as the varsity, they lacked sufficient practice to produce a winning combination.

They won a one point overtime decision from Milford in their opening game but dropped their next game to Pinckney by the score of 54-28.

After returning from Christmas vacation they continued on to defeat South Lyons in a low scoring battle 21-17. The Bullpups then lost their next four straight before defeating Pinckney again 30-24. They continued on their schedule winning but two of the last seven to finish the season with a five and ten record.

John Coddington lead all scorers with 57 points, following him very closely was Jim Siford with 55.

The 1952 edition of the Brighton High School Baseball Team was directed by their new coach John Kestner who was ably assisted by Hy Klein and Russell Rowe.

The team was burdened by some of the worst pre-season spring weather in the history of Brighton, deleting some much needed practice.

One of the most ambitious schedules in the history of Brighton was arranged including sixteen games with eight home games and eight away. A night game the first of its kind at Brighton High School was scheduled with the Bulldogs playing Durand at the latter's field on May 19.

Due to illness Head Coach John Kestner was absent when the above photo was taken.

For the fourth consecutive year, a cheerleader was chosen as Football Queen for the Homecoming Game, which was with Manchester. This year Janet Stonex was queen with Phyllis Baetcke, Jo Ann Collins, Myra Chase, and Carol Pelkey as her attendants. The coronation, as always, was sponsored by the cheerleaders.

In January the cheerleaders held a Going Away party in honor of Miss Pieper.

As always, the cheerleading squad was on hand for all games. They led the crowd in cheering the team to victory and greatly helped the idea of good sportsmanship.

The remaining membership included class presidents and class representatives.

A new banking System was inaugurated which placed all funds in a central treasury. The Council had charge of the fund, and as a result, handled all student activities; this included refreshments at games, school dances, clean-up campaigns, etc. The Council also conducted tours of the school at P.T.A. Open House, sponsored assemblies and participated in a general way in trying to bring the students into a more closely knit group.

During the second semester Brighton High School was admitted to the Wayne Oakland League, this not only includes athletic competition but inter-school activities in Student Council as well. A group made up of a President, Secretary and two roving Representatives attended these Council Meetings and reported back.

In early May the annual school dance, a Council sponsored activity took place. Later this same month the same group held a school Convention at which time Council candidates for the next year campaigned. This was followed by the Annual Student Council Elections.

At the beginning of the year the band added color and zest, by marching during the half of each home football game. Following this the concert season began. The Christmas Concert which featured the band and other musical groups was the outstanding event of this season.

During the second semester solo work was done by each Senior on his particular instrument. A Mid-winter Band Concert was also sponsored. The Journalism Class attended Journalism Day at Michigan State College at Lansing, Michigan. Those who went were assigned to listen to different lectures on advertising, page make-up, planning yearbooks, photography, and other subjects having to do with high school journalism.
