Dedication

To Mrs. Alice Wilson, a member of the faculty for twelve years, the students of Brighton High School proudly dedicate the 1960 *Illustrator*.

Her lofty ideals have been a source of inspiration in the lives of former students as well as those of today.

By her encouragement, especially in our senior year, she has helped us to reach our goal.

Cafeteria

A great deal of planning, and cooking is put into each day's meal by the cafeteria staff, under the supervision of Mrs. Kramm. They arrive at school at 8:00 A.M. to start preparing the lunches. They serve approximately 300 students each day. The staff stated that the students favorite lunches were hot dogs, Chili burgers, and turkey gravy over mashed potatoes.

Custodians

Being a custodian is probably one of the hardest and least noticed positions in the school system. The custodians begin their day by unlocking the doors, turning on the lights, starting the fans, and making sure the temperature is right in the building. They clean the school, take care of glass breakage and other damages that may be done to the building. Although the students take a vacation during the summer, the custodians are constantly at work painting classrooms, waxing floors, and varnishing desks in preparation for the coming school year.

Left to right: Mrs. Borst, Mrs. Kramm, Mrs. Morrow.

Bus Drivers

At 6:30 A.M., while the students are still sleeping, the bus drivers are warming up their buses. At 7:05 they depart for their specific routes.

The buses are used for transporting students and players to the athletic games, transporting the band to the Lions game at Briggs Stadium and taking the Chorus to its various destinations.

During the 58-59 school year all school vehicles traveled approximately 127,453 miles each.

CLASS HISTORY

The Class of '60 is leaving Brighton High; before they go let us look back over the years.

The Freshman year began with the choosing of Sharrell Munce as Queen's Homecoming Attendant. Initiation was in October of 1956, and in May the Freshman Banquet was held in the gymnasium.

Karon Rawlings was chosen as Queen's Attendant at the beginning of the sophomore year. In December, the class held its annual banquet.

As Juniors, the Class of '60 chose Bernice Gaabo as Queen's Attendant. They sponsored a dance and held a bake sale. The long-awaited class rings arrived in time for Christmas of 1958. The Junior Banquet was held in April. Later, the Juniors bid a farewell to the Seniors "Under Paris Skies" in the beautifully decorated gymnasium.

The Senior year has been a busy one. In the first week of October, Sharron Munce was chosen Homecoming Queen with Jo Bogart as her Senior Attendant. The class sponsored two dances and worked the

concessions after all of the games. May was their busy month with the Senior Banquet, the boat trip on the Great Lakes, and a bake sale. On June 2, 1960 the Seniors left their High School days behind them, to progress to the future. So we bid farewell and Godspeed to the Class of '60.

SOPHOMORE CLASS

Class Colors - Red and White
Class Flower - White Carnation
Class Motto - "Before you can score,
you must first have a
goal."

The Sophomore class for the 59-60 school year was composed of 109 students. Mrs. Hawkins and Mr. Smith, the class advisors, reported that the class has done very well. At their first class meeting they elected Joan Ludtke as President, Barbara Love as Vice President, Ron McClements as Secretary, and Susan Uber as Treasurer. Sandra Shekell and Randy Marx were chosen as the Student Council representatives. Receiving the most votes for Attendant to the Homecoming Queen was Joan Ludtke.

In October the Sophomores had a bake sale which netted the class \$97.50; they also sponsored two after-game dances which were very successful.

On November 6, 1959 a class party was held in the music room. Dancing and refreshments were enjoyed by all who attended.

The Sophomore Banquet was held on December 10, 1959 in the school gymnasium. Mr. Schutz gave a speech to the parents and students about the aptitude testing program of our school. Entertainment was supplied by several of the students who displayed their varying talents.

During the first class meeting they elected Susie Stellwagen as President, Wayne DeHate as Vice President, Penny Leith as Secretary and Bobbie Hicks as Treasurer. It was voted that their class dues would be \$4.00 for the first year.

On December 18, 1959, the Freshman class sponsored an after-game dance called the "Snowball."

Bobbie Hicks was elected as Freshman attendant for the Homecoming game, and chose Wayne DeHate as her escort.

JOHN KLUCK
PRESIDENT

The Brighton Student Council is an organization which represents the students in school matters in order to develop and maintain school spirit, to promote school activities, to create a better understanding between students and faculty, and to assist the administration in the governing of the school.

The membership of the Student Council consists of president John Kluck, Vice-President Dave Bosworth, Secretary Jay Herbst, and Treasurer Russell Tarrant, as well

MR. SCHUTZ
ADVISOR

as two representatives from each class.

The projects of this year's Student Council were the Football Homecoming Half-time and Crowning ceremony, the Homecoming Dance, Student I.D. Cards, and a League Standing Board.

The Student Council had two exchange days, one with Clarkston and the other with Clarenceville. By attending other schools for a full school day, the students could compare our school system with these other schools.

The Brighton Student Council is a member of the Wayne Oakland County League Student Council, and Brighton's president, John Kluck, is the treasurer of this organization. The president, secretary, and any two members of each school council make up the four voting members allowed each school. The League Council, along with the exchange days, helps to build good will between the schools in the area through better knowledge and understanding.

Another important project of this year's council was the insistence upon school cleanliness. Council members inspected lockers, monitored halls, and generally helped to keep the appearance of our school neat at all times.

The choir consists of forty-seven members under the direction of Mrs. Joan Smutko. The choir rehearses for a one-hour period every day, learning new songs and perfecting the older ones.

To the delight of parents and students the choir presented its annual Christmas and Spring concerts.

Several of the members were fortunate enough to be chosen to participate in All League Choir. This choir is made up of eight members of the choir from each school.

The majorettes enjoyed a fine season of leading our band at the home football games and parades. The four lovely ladies, under the direction of head majorette Sharon Minton, and adviser Mrs. Smutko, accompanied the band to Briggs Stadium in Detroit, and took part in the half-time ceremony of the Detroit Lions-Chicago Bears game.

Audio - Visual

Throughout the year the assistant librarians have helped us in many ways. Among their regular chores are helping students find books and checking books in and out. There are many other things they must do such as mending books, setting up displays, keeping the library clean and attractive, and helping Mrs. Snider in every way possible.

The main purpose of the Audio-Visual staff is to set up the projector and show educational films to elementary, junior high, and high school students. By doing this they assist in making the classes more interesting and enjoyable.

The Audio-Visual staff also gives maps and pictures to various classrooms throughout the schools.

The debaters spend a certain amount of their time doing research on this subject, and then putting this information to work in practice debates. To gain skill in debating they have also given debates in English, government, history, and journalism classes, as well as before the Kiwanis Club of Brighton.

League debate meets were held at Milford, Brighton, West Bloomfield, and Bloomfield Hills.

On their way to Hollywood!!!!

Comedy, romance and mystery were combined in this year's offering by the Senior Class, "The Mad March Heirs." Wealthy Grandfather March disappears, supposedly having furnished a meal for the alligators in a nearby park. This leaves his greedy family wondering how to divide his money. The problem is partially solved when they discover that he has already left all of his money to his new secretary. The family, however, works out all of its problems, just as Grandfather puts in a surprise reappearance.

Homecoming

Bobbie Hicks Jo Bogart Sharron Munce Sharon Minton Joan Ludtke

Sharron Munce was chosen by the student body to reign as Homecoming Queen on October 23, 1959.

The Bulldog's opponents were the Northville Mustangs, who brought defeat to the Bulldogs 20-0.

Continuous rainfall prevented the usual half-time activities and due to the muddy conditions of the field, Sharron was crowned at the sideline by Mayor Wilkinson and presented with flowers by Mr. Hawkins. Crown Bearer Ralph Miller and Flower Girl Debbie Bidwell accompanied the Queen in her car.

An after-game dance sponsored by the Student Council was held for Queen Sharron and her court. Her court consisted of Freshman, Bobbie Hicks; Sophomore, Joan Ludtke; Junior, Sharon Minton; and Senior, Jo Bogart. The lovely ladies were escorted into the gym by their escorts. Sharron was presented with a locket by John Kluck, President of Student Council and given a kiss by Don Appleton, Captain of the football team. Then the Queen and her loyal subjects danced the evening away to the music of the Robert Williams Combo.

If the required amount of points are received in their Freshman year, the girls receive a certificate; for their Sophomore year a letter is awarded; in their Junior year they receive a trophy, and in their Senior year they are given a pin.

Sponsored by Miss Mary Lou Lackie, the girls meet after school on Tuesdays for fun and sportsmanship.
